Proposed Studies:
Polar cap auroras

1. Faint arc characteristics:
   April 1, 1995 - March 31, 1996

2. Polar auroras and magnetospheric topology:
   July 1, 1995 - June 30, 1997

3. Polar auroras as storm precursors:
   Oct. 1, 1995 - Sep. 30, 1997

New Studies:

4. Polar diffuse aurora.

5. Single-point stereoscopy of auroral arcs
