Dear Mrs. Adams:

Please find enclosed a cheque for $125.00, to complete our payment for the 1/8-size Nagoya Suzuki violin I received from you last Saturday evening (March 2). Together with the post-dated cheque for $75.00 which I left when I picked up the violin, you now have our cheques for $200.00 in total, the price we agreed upon.

Thanks very much for allowing us to get an expert opinion on the violin before deciding whether to buy it. We appreciate your courtesy, and look forward to our children's enjoying the use of the violin for many years to come.

With best wishes to your family, I am

Yours sincerely,

David P. Steele
