Dear Mary Lou:

Please find enclosed a cheque for $425.00, to complete our payment for the two violins I received from you: a 1/10-size Nagoya Suzuki violin, and a full-size Nagoya Suzuki. We agreed on prices of $250.00 for the 1/10-size, and $325.00 for the full-size. You already have our $75.00 deposit cheques for each of the violins, so the enclosed amount will cover the balance payable for the two violins.

Thank you very much for allowing us to have the violins inspected before deciding whether to purchase them, and for accepting our offer of $325.00 for the full-size violin. We do appreciate your help, and encouragement, as we begin to become a Suzuki family. I trust this finds you and your family well, and I hope that music will continue to be a source of joy and blessing for your family.

Yours sincerely,

David P. Steele
