Re: AGU Paper # 96RS00369

Dear Kelly:

Please find enclosed the final versions of the figures for the above-referenced paper. I am sorry for the delay in getting them to you. The production of the final version of Figure 5 entailed considerable labour which, I believe, is justified by the result.

I hope these figures are satisfactory. Please contact me if you have any further questions or comments.

Yours sincerely,

David P. Steele, Ph.D.
