Re: Book review of Hargreaves' The Solar-Terrestrial Environment for CMOS

Dear Dr. Maybank:

Please find enclosed my review of J. K. Hargreaves' The Solar-Terrestrial Environment. Just before leaving on sabbatical Don McEwen invited me to review the book for CMOS. I hope this review is suitable, and that it has reached you in time to be useful. Thank you for the opportunity to submit it.

With best wishes, I am

Yours sincerely,

David P. Steele
